œ œ

5 2009

œ œ

The diagram illustrates a network structure with various nodes and connections. The nodes are labeled with mathematical symbols and percentages, and the edges represent relationships between them. The labels include:

- æ (multiple instances)
- 1^{-3}
- $2/3$
- 5.59%
- 20%
- 85%
- 70%
- 20

The diagram shows a complex web of connections, with some nodes having multiple incoming or outgoing edges. The labels are distributed across the network, with some appearing more frequently than others.

The figure consists of three bar charts, each representing a different year: 2008, 2009, and 2010. Each chart displays the percentage of the population aged 65 and over for 15 different countries. The countries are listed on the x-axis, and the percentage is shown on the y-axis, ranging from 0% to 30%.

2008 Chart: The y-axis ranges from 0% to 30% in 5% increments. The countries and their approximate percentages are: Iceland (28%), Norway (25%), Sweden (24%), Finland (23%), Denmark (22%), Germany (21%), France (20%), Italy (19%), Spain (18%), Greece (17%), Portugal (16%), Ireland (15%), United Kingdom (14%), Netherlands (13%), and Belgium (12%).

2009 Chart: The y-axis ranges from 0% to 30% in 5% increments. The countries and their approximate percentages are: Iceland (28%), Norway (25%), Sweden (24%), Finland (23%), Denmark (22%), Germany (21%), France (20%), Italy (19%), Spain (18%), Greece (17%), Portugal (16%), Ireland (15%), United Kingdom (14%), Netherlands (13%), and Belgium (12%).

2010 Chart: The y-axis ranges from 0% to 30% in 5% increments. The countries and their approximate percentages are: Iceland (28%), Norway (25%), Sweden (24%), Finland (23%), Denmark (22%), Germany (21%), France (20%), Italy (19%), Spain (18%), Greece (17%), Portugal (16%), Ireland (15%), United Kingdom (14%), Netherlands (13%), and Belgium (12%).
